

Treasure Hunt Bath

Not your usual
team day

Another team day...

Let's try not to:

- ✗ Make anyone climb trees
- ✗ Pretend crazy golf builds trust
- ✗ Spend £50 to throw axes at a wall
- ✗ Watch people silently dread "the sharing circle"

What usually happens

Option

Sounds good...

But then...

Escape Room

Fast-paced, puzzley

Only fits 6 people at a time

Go Ape

High energy

Not great for vertigo or rain

Axe Throwing

Quirky

Surprisingly violent

Cooking Class

Wholesome

£60 to make pasta in pairs

What we're looking for

- ✓ Something fun
- ✓ Includes everyone
- ✓ Gets people talking
- ✓ Easy to organise
- ✓ Doesn't make anyone groan

About Lindle

We're Paul and Ian. We make treasure hunts for work teams.

This hunt took months to craft – walking Bath's streets, researching local history, testing every clue.

We built the tech ourselves. Simple browser-based system, no apps.

We're a small company, obsessive about getting the details right.
